... have moved!

Dear Customers and Suppliers

Compressortech, Motorclimate UK and VACS Europe are delighted to announce the beginning of an exciting new phase in the development of each respective company, with a move from our original base in Bordesley Green, Birmingham to a more modern and spacious premises in the picturesque town of Warwick.

The new single-site operation will continue to provide our customers with excellent levels of service and stock availability from a more agile operation. In addition, we now have a multi-lingual product management and sales team in a facility that is easily accessible, enabling us to offer convenient and superior logistics capabilities for our customers across the UK and worldwide.

Our new facilities boast:

Our new facilities boast:

- Easy access by road (M40, J15 & A46), rail (Warwick Parkway Station), air (Birmingham International & Heathrow) – and even canal! (We're just 1 mile from Hatton Locks)
- Improved warehousing, packaging and R&D capabilities
- A single-site operation with room for anticipated growth
- Ample parking and convenient collection and delivery access.

Why not call in and see for yourself? We look forward to welcoming you to Warwick soon!

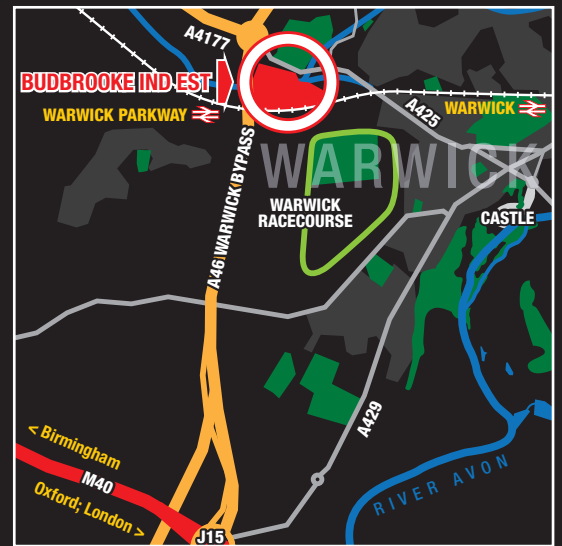

Kind regards

Jim McClean
Managing Director
